The Coronavirus Aid, Relief, and Economic Security Act or, CARES Act, was passed by Congress on March 27th, 2020. This bill allotted \$2.2 trillion to provide fast and direct economic aid to the American people negatively impacted by the COVID-19 pandemic. Of that money, approximately \$14 billion was given to the Office of Postsecondary Education as the Higher Education Emergency Relief Fund, or HEERF.

The Higher Education Emergency Relief Fund II (HEERF II) is authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020. In total, the CRRSAA authorizes \$81.88 billion in support for education, in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136.

On April 9, 2020, the Department of Education (“Department”) published documents related to the Emergency Financial Aid Grants, a form Certification and Agreement for institutions to sign and return to access the funds, and a list of institutional allocations under Section 18004(a)(1) of the CARES Act. The Certification and Agreement directs each institution applying for HEERF funds to comply with Section 18004(e) of the CARES Act and submit an initial report to the Secretary thirty (30) days from the date of the institution's Certification and Agreement to the Department.

Each HEERF participating institution must post the information listed below on the institution's primary website, as an initial report under Section 18004(e) of the CARES Act. This report is associated with approved information collection under OMB control number 1801-0005.
